We have designed this form to help you better understand the role of the official services contractor, the services we offer and provide tips to maximize your cost savings.

What is a General Services Contractor?

GES® has been selected as the official services contractor by the show organizer to design and produce your show. Because of the many areas that GES is involved in at the show, we are familiar with the key individuals managing your event. If at any time during the planning process you are unsure where to turn, just ask us – we're at your service.

Many exhibitors are not aware of the depth and breadth of products and services offered by GES. Because we have insight into and control of the entire show process, we can generally save you time and money by assisting in your pre-show planning.
